Entrepreneurship Development Cell

EDC strives to inspire and integrate a culture of innovation through a conducive entrepreneurial ecosystem to help budding entrepreneurs realize their dreams to start up their own enterprises. It refines the entrepreneurial skills like idea generation, opportunity evaluation business, mentoring, cash flow, forecasting, negotiation and sales skills through hands on training programme, mentoring campus startups. Further, it facilitates incubating innovations through IQUBE and FORGE. It is also working towards building the leadership skills among the students to enhance their entrepreneurial competencies.
